

Erasmian European Youth Parliament Hamburg 2020

alcohol, drugs, smoking policy

The policy:

1. It is strictly forbidden to bring alcoholic drinks and drugs.
2. It is strictly forbidden to smoke inside the buildings.
3. Beer and wine will be served at the bar of the youth hostel, but there will be very strict directions:
 - Buying and drinking beer during the project is only permitted if the parents of the delegate have signed the alcohol permission form, the responsible teacher agrees and the organization has received this form;
 - Only for delegates who are 16 years old or above;
 - Two alcoholic drinks per day maximum.

We will take the following actions to enforce this policy:

- The bar in the youth hostel will be open for the delegates until 11.30 pm.
- According to the registration form the teachers are responsible for their 'own' delegation during the project. This also refers to the behavior of the students.
- There will always be one/more teachers at the bar, if the bar is open.
- The students with a signed consent form will get two tickets every day. Each of these students can buy one beer/wine at a time.
- During the evening it is forbidden to go into town. During the daytime the students may only go into town with the permission of the EEYP-organization and their teachers.
- If a delegate does not follow any of these stated guidelines, the whole delegation can be excluded from the project.
